#### **CLINICAL EXPERIENCE**

---

- 2009 – Present ISAAC RAY FORENSIC GROUP, LLC  
*Clinical Psychologist*  
*Director, Sexual Behaviors Clinic*  
Responsibilities and activities include forensic psychological evaluation and consultation in criminal and civil cases, dangerousness/risk assessments, impaired professional/fitness for duty/disability evaluations, pre-employment psychological screening evaluations. Other responsibilities include overseeing all aspects of the Sexual Behaviors Clinic, providing consultation to community agencies regarding sex offender evaluation and treatment, and conducting treatment with offenders.
- 2009 – Present MICHIGAN AVENUE NEUROPSYCHOLOGISTS  
*Clinical Psychologist*  
Responsibilities and activities include psychological outpatient evaluation and treatment of individuals with psychiatric disorders, and consultation to other treating professionals.
- 2007 – 2009 MASSACHUSETTS MENTAL HEALTH CENTER  
*Clinical Psychologist*  
Responsibilities included providing cognitive-behavioral individual and group treatment, and Dialectical Behavior Therapy to mentally ill patients with problematic sexual behaviors. Functioned as the primary evaluator of outpatients and inpatients with severe mental illness and problematic sexual behaviors. Supervised residents on evaluations. Organized and participated in risk review meetings, and provided care coordination with community providers.
- 2007 BOSTON FORENSIC ASSOCIATES  
*Consulting Clinician*  
Conducted depression screenings at a not-for-profit specialized care residence for adults with advanced Multiple Sclerosis and other progressive neurological disorders.

- 2006 – 2007 BOSTON UNIVERSITY SCHOOL OF MEDICINE, DEPARTMENT OF PSYCHIATRY, CENTER FOR MULTICULTURAL MENTAL HEALTH  
*Post Doctoral Fellow*  
Responsibilities included conducting psychological, neuropsychological, and forensic evaluations, and providing cognitive-behavioral treatment to individuals on an inpatient forensic services unit. Gained experience in modifying traditional psychological techniques in order to work more effectively with cross-cultural and socially, economically and politically disadvantaged clients. Provided supervision to interns on assessment, and taught a monthly seminar on cross-cultural psychology.
- 2005 – 2006 FEDERAL CORRECTIONAL COMPLEX, BUTNER, NC  
*Pre-Doctoral Intern*  
Conducted psychological and forensic evaluations for the federal court system. Provided individual and group treatment, crisis intervention, diagnostic intake evaluations, and suicide risk assessments. Gained experience with the general population, and chronic, severely mentally ill inmates in a step-down program and in a program for at-risk inmates. Participated in parole board hearings.
- 2002 – 2004 COOK COUNTY HOSPITAL  
*Psychology Extern*  
Conducted diagnostic intake evaluations, and provided cognitive-behavioral individual treatment to an adult outpatient population with a variety of anxiety, mood, and adjustment disorders.
- 2001 – 2002 DUPAGE COUNTY COURT  
*Psychology Extern*  
Conducted psychological evaluations of juveniles and adults, and provided crisis intervention in the DuPage Juvenile Detention Center.
- 2000 – 2001 OAK FOREST PSYCHOLOGICAL SERVICES  
*Psychology Extern*  
Provided cognitive-behavioral individual and group treatment, and conducted psychological evaluations of children and adolescents in the Sexually Abusive Children and Youth program.

#### **RELATED PROFESSIONAL CLINICAL EXPERIENCE**

- 1996 – 1997 LARIMER CENTER FOR MENTAL HEALTH  
Completed training for the rape crisis hotline through the Sexual Assault Victim Advocate Center (SAVA). Participated in the BEFRIENDS program, providing community outreach to individuals with severe mental illness.

#### **RESEARCH EXPERIENCE**

- 2009 *The NIH Clinical Toolbox Validation Study*  
National Institutes of Health Multi-Site Investigation.  
Responsibilities include administering experimental computerized and abbreviated test batteries to school-aged children, adolescents and adults. This investigation seeks to assemble brief, comprehensive assessment tools that will be useful to clinicians and researchers in a variety of settings, with a particular emphasis on measuring outcome in longitudinal epidemiological investigations and prevention and intervention trials across the lifespan.

- 1999 – 2004 *A Couples Intervention for Cardiac Risk Reduction*  
 Tamara G. Sher, Ph.D., Illinois Institute of Technology  
 A National Institutes of Health-funded investigation at the Rush Presbyterian - St. Luke's Medical Center. Responsibilities as research assistant included recruitment, videotaping and debriefing participants, and coding data using the R-MICS system.
- 1997 – 1998 *Couples Research Lab*  
 Lynn Rankin-Esquer, Ph.D., Pepperdine University  
 Responsibilities as project assistant coordinator included coordination of research assistants, development of study methodology, participant recruitment, data collection, and data management.
- 1997 – 1998 *Trauma Research Lab*  
 David Foy, Ph.D., Pepperdine University  
 Responsibilities as research assistant included data collection and analysis for multiple projects investigating Post Traumatic Stress Disorder. Conducted an independent study on "The Oklahoma City Bombings and PTSD."
